Can you confirm that these tanks are double walled. I need to summit the information to the county to get my permit.
Thank You
Karen

Karen,

Here is the information on the different tanks and tanks size from last night.
(3) 4,000-sorry
29.5 ‘ TOTAL LENGTH
64” WIDE

Thanks, Tim

Karen,

(2) 4,000 off rd tank's 64 inches diameter 24 feet long/plus an additional 30 inches for deck for pump
(1) 4,000 off rd tank 64 inches diameter 24 feet long/plus an additional 30 inches for deck for pump
(3) high hose retriever for all 4,000 gallons tanks customer will purchase
(1) 550 87 e-10 tank 48 inches diameter 76 inches long
*Once concrete pad has been poured and electric is ready let me know and I will request tanks to be delivered.
(may want to confirm no permit needed for replacing tanks)
*Approx weight of a 4,000 gallon tank 7,500

If you need anything else, please advise.

Thanks,
Tim Cook
