Purpose: General Statute 130A-248(b) states "No establishment shall commence or continue operation without a permit or transitional permit issued by the Department. The permit or transitional permit shall be issued to the owner or operator of the establishment and shall not be transferable. If the establishment is leased, the permit or transitional permit shall be issued to the lessee and shall not be transferable. If the location of an establishment changes, a new permit shall be obtained for the establishment. A permit shall be issued only when the establishment satisfies all of the requirements of the rules. The Commission shall adopt rules establishing the requirements that must be met before a transitional permit may be issued, and the period for which a transitional permit may be issued. The Department may also impose conditions on the issuance of a permit or transitional permit in accordance with rules adopted by the Commission. A permit or transitional permit shall be immediately revoked in accordance with G.S. 130A-23(d) for failure of the establishment to maintain a minimum grade of C. A permit or transitional permit may otherwise be suspended or revoked in accordance with G.S. 130A-23.." Preparation: Local environmental health specialists shall issue a permit every time a change in permit status is indicated. Prepare an original and one copy for: 1. Original to be left with the owner or operator. 2. Copy for the local health department.
