Re: New Biscuitville Restaurant
Cameron, NC

Dear Plans Reviewers,
Please find enclosed building construction documents for proposed new ground up construction Biscuitville restaurant for your review and approval. It is my understanding our site plan application will be reviewed during the October meeting.

Please let our office, as Architect/Engineering representative, know should you have any questions or comments regarding the proposed new restaurant facility or if anything further is required to obtain building permit release.

Sincerely,

A handwritten signature in black ink that reads 'Rebecca Lehmann Arbgast'.
