Mr. Tolksdorf,

Our client has just informed us that he would like to put the EOP application on hold for the time being (personal reasons). When we go to resubmit I will make sure the #12 of the NOI is the addressed. Sorry for any inconvenience this may have caused.

Kind regards,

Annie Foxworth
Jr. Project Engineer

Mr. MacConnell,

Please review that attached EOP submission for incompleteness. Deficiencies are indicated on page 4. Please resubmit to our Central Permitting office along with page 5.

Thank you,

Oliver Tolksdorf REHS
