Tower Engineering Solutions, LLC (TES) is the Engineer of Record for SBA Communications, Inc., the tower owner of the site referenced above. TES will prepare a Post Construction Inspection Report (PCI) after the tower modification has been completed by our Contractor, Site Resources, LLC. The PCI will include photos of the modifications, as-built drawings and commentary as appropriate to the installation. The report will be stamped and signed by the Engineer of Record for this project. The contractor will submit the PCI at the completion of the project as required to close out the permit.

Please contact me if you have any questions regarding this issue.

Sincerely,

Charlie Douglass, P.E.
