The Inspectors Certificate and Building Inspection Form is required to be completed in its entirety before the Division of Child Development and Early Education can consider the document complete. All questions must be answered; any NO answers must have a written explanation.

This form was developed through the cooperation of the Division of Child Development and Early Education and the Engineering Division of the Department of Insurance. Please note that the inspection forms do not cover all areas of the Code, but are intended to be used as a guide for the local inspector. If additional Code items which are not addressed on these forms are found to be in violation of the Code, please document them on the back of this form.

Prepare in quadruplicate: Original and copy to DCDEE, 1 copy kept by inspector, 1 copy kept by operator.
