ATTENTION: FIRE MARSHAL

REFERENCE: Fairway Pointe
288 Gallery Drive
Spring Lake NC 28390

Holmes has a contract to install a Fire alarm system at the above location. The system will consist of the following items, Fire control is a ES-50x with 1 SD365 smoke detector, 4 BG12LX pull stations, 6 P2RL-LF Horn/Strobes and 2 SRL Strobes, and 16 HWL-LF Horns and 1 FCPS24FS8 power supply for the NAC circuits. We are also adding a Fire Radio for communications which is a SLE-LTEVI-CFB. I have included the cut sheets and the battery calculations as required and 2 sets of the plans.

If further information is required, please call on me.

Thanks for everything

George Wenrich
Installation Manager
