RE: Engineering - Structural  
425 Royal Pines Lane  
Lillington, NC 27546  
Project No.: 19DDM-0408A-1

To Whom It May Concern/Inspections Dept.:

The undersigned (Engineer of Record -EOR) has analyzed the plans for the attachment to the concrete slab foundation for the above referenced site.

The anchors can be either wet set or drilled and epoxy dowelled into the concrete slab after the concrete is placed.

Sincerely,

David Miller, PE

DEM/19DDM-0408A-1
