

INSULATING INCORPORATED

A Division of ABS Southeast, LLC

September 15, 2020

To Whom It May Concern:

Overhill Elementary School (large trailer) had the walls, attic, and crawl space insulated on 7/29/20.

Overhill elementary School (small trailer) had the walls, attic, and crawl space insulated on 7/29/20.

Both trailers were insulated to the current code, which is as follows:

Walls: R15 (3.5") batts
Attic: R38 (12") batts
Crawl: R19 (6.25) batts
