Lillington Grace Church of the Nazarene  
410 South Street  
Lillington, N. C.

Dear Mr. Byars

I have inspected the above foundation prior to pouring of concrete and on a recent visit to the site. The footers and piers have no problems and they were installed per design and any engineer recommendations. There will not be any structural problems with this installation which includes poured footers and piers with external bonding agent.

If you have any questions or if I may be of further assistance, please feel free to contact me.

Sincerely,

Meridian Engineering, P. A.
