Sir/Ma'am,

It appears the contractor I hired to complete work on our property (#BCOM2001-0002) has abandoned the job and will not be returning, despite repeated efforts to contact him. I called your office on 19 April 2020 about this matter, and was instructed to submit an email or something in writing requesting his name be removed. Therefore:

Please remove Terry Warpoole and Platinum Praise Construction from my permits and replace him with me, Christopher J. Allen. I will be taking over and completing the work without him.

If there are any further actions I need to take in this matter, please let me know!

Thank you,

Christopher J. Allen
