Re: New Hardee's Restaurant
Cameron, NC

Dear Plans Reviewers,
Please find enclosed building construction documents for proposed new ground up construction Hardee's restaurant for your review and approval. It is my understanding our site plan application has been completed separately by our civil Engineer.

Please let our office, as Architect/Engineering representative, know should you have any questions or comments regarding the proposed new restaurant facility or if anything further is required to obtain building permit release.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Rebecca Lehmann Arbcast'.
