To Whom It May Concern,

Thank you for submitting the plans for the new building. The plans have been carefully reviewed by a qualified code enforcement official to examine for compliance with the North Carolina Fire Prevention Code and all other fire protection regulatory documents. There are some items that were found during the plan review process that need to be addressed before a final inspection of the new facility can be given. These items are outlined and described below.

- **Fire Extinguishers**

- All Fire extinguisher shall be properly mounted and tagged by a fire extinguisher company.
- Portable fire extinguishers shall be provided within a 75 foot travel distance of any point in the building and be readily identifiable.

- **Address Numbers**

- The physical address shall be installed on the building so that it is visible from the street with a minimum of 6 inch tall numbers with a minimum ½ inch brush stroke on a contrasting background.

- **Means of Egress Illumination**

- The means of egress illumination shall not be less than 1 foot-candle at the walking surface.

- **Notes**

- A final fire inspection is required.
- Schedule all fire inspections through the Fire Marshal's Office.
