 DIRECTOR: Brandon
 NUMBER OF CHILDREN FOR WHICH FACILITY WILL BE LICENSED: 30

Main Food Service

Meals prepared on site or catered meals? (With catered meals you are still required to have the minimum requirements in the kitchen) On site / Children bring own

Where will the children eat meals? (Family style, tables in classrooms, dining area, etc...) tables

Will multi-use utensils, silverware, sippy cups, etc... be used or disposable utensils? disposable

Can the kitchen door be locked? Is there a barrier to keep children out of the kitchen? Yes

Please list all equipment to be used in the kitchen and include specification sheets: ref, oven, hand wash sink, double sink, and toaster

Do you have a thermometer available to monitor food temperatures? Yes Do you have thermometers in the refrigerators? Yes

Will leftovers be served? NO Will meals be prepared 12 or more hours in advance? NO

Infant Food Service

Will bottles be stored, prepared, warmed, served, etc... in the infant room or in the kitchen? N/A

Describe your procedures for handling breast milk: N/A

Does the infant room have countertop space for warming bottles? N/A

What method will be used to warm bottles? N/A

Is there a refrigerator for bottle storage? N/A Is there a thermometer? N/A

Is there a separate sink used exclusively for bottle/food preparation? N/A

Diaper Changing

Are diaper changing stations in each age appropriate room? _____

Where will diaper changing supplies be kept? _____

Is there a dirty diaper receptacle with a lid? _____

Can the caregiver view the children while changing diapers? _____

N/A

Where and how will soapy water, sanitizers and disinfectants be stored?

In kitchen

Is there a separate hand wash lavatory used exclusively for diaper changing hand washing?

N/A

Are diaper changing signs provided?

N/A

Cubbies and Storage

How and where will cubbies be arranged?

in Center Room

Are coat hooks spaced at least 12" apart?

NO hooks

Is all storage in all closets stored off floor (recommend 12") to facilitate cleaning?

N/A

Will toothbrushes be used at the center?

N/A

Will they be labeled? N/A

Beds, Cots, Mats, Cribs, and Linens

Will cribs have the capability of being spaced 18" apart while in use? (if not, crib dividers and partitions are acceptable)

N/A

How and where will cots and/or mats be stored?

N/A

Where will crib, cot, and mat sheets be stored?

N/A

Where is there a designated sick area with cot/mat?

N/A

Is linen being provided by the center or the parents?

N/A

How often will infant sheets be changed?

N/A

How often will sheets be laundered?

N/A

Cleaning, Sanitizing and Disinfecting

Is all furniture in the center of a smooth, washable finish?

yes

How will toys in infant and toddler rooms be washed and sanitized? Where? How often?

N/A

Please explain what type of sanitizer will be used to sanitize toys, food areas, furniture, etc.:

bleach water sanitizer, lysol

Please explain what type of disinfectant will be used to sanitize toilets, lavatories and diaper changing tables:

bleach water

Do you have appropriate test strips for the types of sanitizer and disinfectant you are using?

yes

Where is the can wash facility for cleaning trash cans, dumping mop water, etc...?

outside of building

Will water play centers be used? No

Hand wash lavatories

Does each toilet area have a hand wash lavatory? Yes

Does the diaper changing station have a hand wash lavatory exclusively for diaper changing?
N/A

Does the food service area in the infant and toddler room have a lavatory exclusively for food service?
N/A

Does the kitchen have a hand sink that is separate from the 2 or 3 compartment sink for hand washing only? Yes

What types of faucets are at all hand wash lavatories (please note that metering type is not allowed unless they can retain warm water for at least 20 seconds at the first pressing):
regular turn valves

Are handwashing signs provided? Yes

Locked Items

Please indicate **where** the following type of locked items will be stored and **what type** of lock:

Medicines (both refrigerated and non refrigerated)
N/A

Cleaning supplies and all types of chemicals
bathroom lock box

Personal belongings (purses, keys, employee items)
file cabinet

Aerosols and all other toxic products
bath room lock box

Mildly Ill Children

Will you be licensed to care for mildly ill children pursuant to 10A NCAC 09 .2400? N/A
Please include your protocols for this type of care.

Hot Water Supply

The kitchen hot water temperature will need to be a minimum of 120 degrees Fahrenheit. All other sinks that are accessible to children and the can wash facility must be maintained between 80-110°Fahrenheit. Using two separate water heaters may be the best option since it is often difficult to obtain two separate temperatures with one water heater. Mixing valves installed on sinks have a high failure rate and are not very dependable.

Explain what the specifications of your water heater(s) are. (For example, if you are using two water heaters, indicate which one is for the kitchen and which one if for the classrooms). It is recommended that the minimum water heater size be 50 gallons.

Tank Manufacturer and Model # Under the building in crawl space
 Storage tank size _____ GPH recovery _____ Additional tank size _____

Lighting

Do all light fixtures have shatterproof or shielded bulbs? yes

Will lighting illuminate 50 ft. candles at all work areas? yes
 and 10 ft. candles at all other areas, including storage closets? yes
