Our preschool building is an open building. (Modular Classroom)

There are no interior walls or dividers separating rooms.

Our ages are 2 to 5 year olds.

Our hours would be 7:00am to 6:00pm.

We are looking at 20 children.

The starting number of employees we are looking at is 4.

We will not provide cooked meals. Students would bring their own lunch.

We did have a pre-inspection from child development and they loved what they saw and didn't make any changes.
