Re: Status of Improvement Permit Application–BCOM2103-0008

To whom it may concern:

An attempt was made to evaluate your property for the purpose of issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Use pink flags to accurately mark property lines and **irons that are set by surveyor need to be visible. (\$25.00 fee incurred)**
- 2. Use orange flags to mark house corners (*\$25.00 fee incurred*)
- 3. Directions not clear to property (*\$25.00 fee incurred*)
- 4. Property needs only brush or vegetation removed
- 5. Driveway not shown on site plan
- 6. Backhoe pits required
- 7. **Other- Must submit site plan that matches soil scientists layout, and then we need a signed copy of the paperwork from DOT stating that they are going to relinquish their 35' right of way easement.**

Your application will be put on hold until the selected items above have been addressed.

When completed **please call 910-893-7547 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.
