Afternoon all,

Stouts & Ales has received their Federal approval for Brewery operation and are pursuing State ABC approval for brewery. Town of Coats is good with zoning in district for both Bar & Tavern or Micro-Brewery. They will need building and fire inspections to sign off on approval form for Brewery.

I do have questions about why this has been classified as a nightclub; they are hoping to upgrade from retail (bottle shop) to brewery and will gladly meet all standards associated with that. They have no desire to be a night club. Look forward to our discussion on this.

Thanks,
-Nick

Good morning, all. I need to schedule a quick **zoom meeting** for Kate Wilkins, the owner of Stouts and Ales in Coats. Would you all be able to join the meeting at around 9am on Tuesday the 17th?

*Thank you,
Donna Johnson
