Hello Mrs. Johnson,

Thank you for your assistance with this matter. I am sending you the blueprint and a **sketch** of what the contractor gave me as an estimate for doing renovations to **1503 Denim Drive, Erwin, NC.** I believe it will bring some clarity...

The space was previously used as a Hair Salon. We would like to widen the open space by taking down the partitions that separated the hairstylist and removing the wall and doors to Room 11, 12 and 9. The partitions are not connected to the ceilings. The water lines in the middle of the floor will have to be capped off. We are considering adding additional bathrooms connected to the ones in place....

1. The first building will be used as a place of worship/outreach and afterschool care **SLC 103**
2. The second and third buildings will continue to be used as office space.

I apologize that I must send multiple emails. If this does not work for you, I can stop by with the packet. Please advise. I can also be reached at 910797-2316.

Sincerely,

Vivian Cogdell
