Hello Ms. Donna,

Please remove the last sheet... I just spoke with the engineer and he stated that the last sheet is not needed. We already have handicapped-accessible bathrooms for males and females. The new bathrooms will not require handicap-accessible codes. Thank you

Hello Ms. Johnson,

Thank you for your assistance and for working with Word Afire Ministries to complete this plan. We hired an engineering company to complete the plan. (see attachments) I hope this plan will address all of the concerns regarding the renovations. Please let me know if you need additional information.

\*\*\*\*\* A Daycare will not be housed in this building. Will I need to send separate documentation stating that the daycare will not be housed in this building?

When you receive this information, please notify me. If I need to submit a hard copy please advise and I will submit in the morning.  
Again, thank you for your assistance.

Sincerely,  
Vivian Cogdell
