Certified Buildings meet 130 mph wind gusts and 30lb snow load. Higher wind and snow loads are available by special quote. Newmart builders Inc. is a manufacturer and distributor of retail metal buildings components for assembly. Newmart Builders is not the contractor nor should we be represented by the customer as the contractor for this purchase. The customer or their representative should represent themselves as such when applying for permits for assembly within their locality. Certified Buildings have a 20 year limited warranty on rust through of framing assuming normal user care and maintenance, and 90 day workmanship. We are not responsible for permits, covenant searches, restrictions, or acts of God (such as flooding, hail, lightning, wind, ice, snow, earthquakes, etc.) Please contact your local Building Inspector or Homeowners Association for information. Customer's responsibility to check with Miss Utility or applicable service companies for underground obstacles, we will not be responsible for underground lines or any damages that may occur. We are entering your property at your request, therefore we cannot be held responsible for any damages. Your lot must be level for proper assembly, additional fees may be charged for cutting or leveling. Balance is due upon delivery. Newmart Builders reserves the right to accept or refuse any orders received. All orders received are subject to management approval to insure proper pricing. Non Certified Buildings are under no warranty. No refunds on process fee after 3 business days. Accepted Credit Cards are MasterCard & Visa. 3% Credit Card Fee Applies. BUILDING LENGTHS ARE MEASURED ON ROOF; GROUND LENGTH IS 1' SHORTER. The venue for any dispute arising from this contract will be in the appropriate court in Mecklenburg County, VA
