RE: Springs of Ballentine

Mr. Conte,

This letter is to approve relocation of water heating system WH3 to the mechanical room with the following assumptions

1. Water heating systems are as scheduled on plans.
2. Manufacturer's require clearances are compliant.
3. Water heating systems are dedicated to serve the three types of uses as shown on plans.

If you have any questions, feel free to call me at 252-902-9352. Thanks.

Sincerely,

L. Michael Stroud, PE
