Dear Mr. Conte,

Plans relative to the above-named project have been reviewed for general compliance with General Construction of the 2018 North Carolina State Building Code are approved:

This project may be subject to the architectural standards of the Americans with Disabilities Act of 1990 (the ADA). Issuance of this letter does not certify that this project is in compliance with this Federal Law. Copies of the guidelines and information concerning the ADA may be obtained through the Architectural and Transportation Barriers Compliance Board, 800-USA-ABLE or the Dept. of Justice (202)-514-0301. Failure to comply with the ADA may result in federal fines and penalties. These plans are so marked and filed approved in this Office. They have not been reviewed for compliance with other Volumes of the North Carolina State Building Code.

These drawings are now subject to the review and approval of the local inspection authority having jurisdiction and to all local inspection fees and permits.

Sincerely,

Building and Fire Code Consultant
