RE: Estelle's Childcare, Inc.

Dear Ms. Lindsey,

An application for the above referenced facility was received and reviewed by this office. The following items are in need of attention:

- A full menu was not submitted
- Specification sheets were not submitted for all kitchen equipment
- Floor plan layout is not detailed to show all diaper changing areas, storage areas and/or equipment

In addition,

- There are no prep tables or work spaces provided in the kitchen
- The two compartment sink is assumed to be intended for food preparation. Two separate sinks, that are not connected, one for meat and one for vegetables is advised.
- Drainboards and countertops provided must equal no less than 8 square feet.

If you have any questions, please call 893-7547.

Sincerely,

Cindy Pierce, REHS
