The plans and specifications for Scooter's Coffee, 1268 NC-27 Lillington, NC, have been reviewed and approved with the following comments:

1. All food equipment must be certified or classified for sanitation by an American National Standards Institute (ANSI) accredited certification program or must meet Parts 4-1 and 4-2 of the North Carolina Food Code and be installed as specified in Sections 4-402.11 and 4-402.12.
2. Floors, walls and ceilings must comply with Subparts 6-101, 6-102 and 6-201 of the Food Code.
3. Lighting in food service areas and supporting facilities must comply with Sections 6-202.11 and 6-303.11 of the Food Code.
4. The 3-compartment sink vats shall be large enough to accommodate immersion of the largest equipment and utensils as set forth in 4-301.12 of the Food Code.
5. The application indicates TBD for a contract for the dumpster cleaning. A contract for off-site cleaning must be obtained and a copy made available to Harnett County Environmental Health upon request.

The establishment must comply with the requirements of the North Carolina Food Code and 15A NCAC 18A .2600, "Rules Governing the Food Protection and Sanitation of Food Establishments." This review does not cover any aspects of construction regulated by other jurisdictions.

Any changes to the approved plans must be reviewed by our office. If I can be of further assistance, please e-mail me at jturlington@harnett.org, or call me at (910) 893-7547.

Sincerely,

Jamie Turlington, REHS
