Parent Permit:

Owner: **VP SPOUT SPRINGS DE LLC**

Parent Project:

Contractor: **Vertex Construction Company, LLC**

Details:

I sent the plans to Vicky Payseur to see if she needed to review them.

Per Steven Gazlay, customer does not need a building rough in

Per conversation with Jamie Turlington, at H and S, customer may have to send plans back to state to be re-approved. Jamie said plans do not show sushi being prepared there, so she cannot approved if sushi is being made there. She will check with contractor and let me know. I informed lady that i could not schedule health and sanitation inspection yet. Per conversation with Kimberly, they have been making sushi there for quite a while.
