Subject: Plan Review for Food Lion Store 1622 Angier, NC

Mr. Jones:

I am submitting this 1622 Angier, NC for review via email - ncplanreview@dhhs.nc.gov. This is an existing operating Food Lion store. There will be alterations to the existing D/B. There will be new equipment installed in the departments as shown on sheets A1.01 and A4.01. There are equipment schedules provided on the drawings and a summary of equipment with the application. Existing wall finishes will be new and floor finishes will remain in the Deli/ Bakery and be cleaned and patched as required to match existing with new work.

The Meat grinder in the meat prep area will be relocated into the meat cooler and a light will be added at the relocated equipment. As a procedural standard Food Lion will be leaving the meat cooler door open during operation of the meat grinder.

Please process the drawings for review and let me know when the drawings are approved.

I will contact your office and pay the plan review fee via credit card for the amount of \$250.00.

Please let us know if you require any additional information. Thank you for your consideration.
Sincerely,

YATES-CHREITZBERG-HUGHES ARCHITECTS
