Re: Ample Storage
Permit # BCOM 2312-0298
Tower Truss Layout Inspection Building "A"
404 East Jackson Blvd
Erwin, North Carolina

Att. Harnett County Inspection

Dear Sir- Madam:

On January 07, 2025 I made an onsite visit to the proposed Ample Storage Facility located at 404 East Jackson Blvd in Erwin, NC. The purpose of this visit was to act as a third party inspector for the inspection of the installed wood trusses for 30' by 30' existing exterior walls with a 24" spacing of the trusses for the Tower 1.

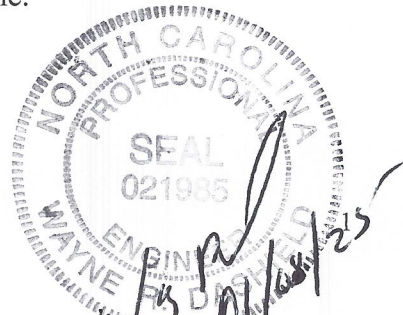

I was able to access the truss area through an attic access opening furnished by the contractor. The truss layout consisted of the following

Truss Member	Number of Trusses
CJ1	18
CJ2	8
CJ3	8
CT1	1
HGT1	2
HJ1	4
SD1	2
SD2	2
SD3	2

All of the trusses were anchored to the existing exterior walls with hurricane anchors. I have inspected the contractors' installation of the necessary items. I will certify that the contractor has met requirements of the construction documents and the 2018 State of North Carolina Building Code.

If I can be of any more assistance, please feel free to contact me.

Yours truly,
Wayne R. Dashfield, PE
