INTRODUCTION

It is the spirit and intent of these regulations that only bona fide farms benefit from any exemptions granted hereby. Three requirements must be met in order to qualify. First, the land must meet the definition of a bona-fide farm if the site is within an area under the jurisdiction of the Harnett County Zoning Ordinance. Second, the Harnett County Farm Services Office, United States Department of Agriculture, must issue a valid farm serial number. Third, the land in question must be enrolled in the "Land Use Program" offered by the Harnett County Tax Department which allows for reduced taxes based on meeting the requirements of N.C.G.S. 105.277.3(a) (1) or (2); N.C.G.S. 105.277.2 (b) and N.C.G.S. 105.282.1 (a). Three categories, agriculture, horticulture and forestry, are allowed. Those categories are described below. To qualify, the land in question must meet one of those categories.

AGRICULTURE

Agriculture land consisting of one or more tracts, one of which consist of at least ten (10) acres that are in actual production and that for the three years preceding January 1 of the year for which benefit is claimed, have produced an average gross income of at least \$1,000.

HORTICULTURE

Horticulture land consisting of one (1) or more tracts, one (1) of which consists of at least five (5) acres that are in actual production and that for the three (3) years preceding January 1 of the year for which benefit is claimed have produced an average gross income of at least \$1,000.

FORESTRY

Forestry land consists of one or more tracts, one of which consists of at least twenty (20) acres that is in actual production and is under a sound management program. For purposes of this category, a sound management program means a program of production designed to obtain the greatest net return from the land consistent with its conservation and long-term improvement.

ADDITIONAL QUALIFICATION CRITERIA

Rent received shall not be considered as income for purposes of this exemption. Gross income must be from the sale of agricultural products produced from the land and any payments received from a governmental soil conservation or land retirement program. Any use of farm property for non-farm purposes is subject to all applicable ordinances of Harnett County.
