

E L Mustee & Sons Inc 19CFP Details

Introduce efficient and versatile washing options at your business with the E.L. Mustee 19CFP UTILITUB 20" laundry tub sink and faucet kit! This sink is a one-piece molded tub, built using a cellular molding process and proprietary structural thermoplastic resin that's durable, smooth, and leakproof. With an ample 18-gallon capacity and deep 13" tub, this sink has plenty of space for washing a variety of items in a commercial application. This sink is built with mildew-resistant components and comes with finished 19 5/8" steel legs with levers that adjust by 1 1/2" that make for an ergonomic washing experience.

This sink comes with a swivel faucet with a 24" pull-out spout, lever handles, two 20" flexible supply lines and sealant tape, 1 1/2" PVC P-trap with 12" tailpiece, and a drain stopper. The back shelf features a retainer curb that is self draining, guiding water into the tub and preventing runoff. To properly care for your UTILITUB, clean it with a soft cloth and a mild soap solution in warm water. Read all cleaning product labels to confirm compatibility with the sink's material, and do not let cleaners sit or soak or use abrasive materials. Lastly, wipe the sink clean and rinse off with water. Expertly fill buckets, wring out rags, or prepare cleaning supplies with this durable and sleek white sink!
