Subject: 954 Maynard Lake Rd- Final Zoning Inspection for Dollar General

Good afternoon,

I hope this email finds you all well this afternoon. We got a call from the general contractor who is leading the 954 Maynard Lake Road Dollar General project, who wanted to get a final zoning inspection done for the site. That said, I do not believe he has reached out to you all to have the final zoning scheduled. However, I was able to go out and perform the final inspection for zoning, and they have met all of their required site elements to get their C/O on our end.

I will say the sign is not up yet, but that is under a separate permit.

Please let me know if you have any questions!

All the best.
