Customer will be charged for a new tank.

I have not received any paperwork for this as of yet.

Informed Tim Johnson that the paperwork sent for EH (AOWE) was not signed so he will have to resubmit that paperwork. Kelley at EH said his fee would be \$35.00 for the permit review. I also informed him that I will need a commercial land use app completed and returned before I can even send paperwork to Eh.

Tim emailed me on 080525 at 2:26pm and included an updated AOWE for review with EH. I submitted and told him he could call and make payment on that.

Time called me and left message on 080725 @ 3:58pm to make payment for Eh.

I returned called to Tim and took payment for Eh. He still does not have the plans yet for the building, but when he gets them he will forward to me for review.
