Subject: Re: Camp Agape Pool & Building Permit Resubmittal

Waco will complete the installation and wiring of the pool equipment and the pool bonding. The cost for the installation is included in the \$32k number that you mentioned below.

Thanks!

Christine Byrd

Subject: RE: Camp Agape Pool & Building Permit Resubmittal

Received, thank you!

Is the electrical for the pool being done by Waco Electrical Company too?

And can you confirm that the job cost of \$32,750 on the building application for the pool house included the pool installation & the pool house? If the cost was only for the pool house, you will need to add the electrical job cost to the building application for the pool.

Sincerely,

Michelle Myatt

Can you confirm that there was a total of 4 attachments you were trying to submit for review?

They have been uploaded to both the BCOM2507-0005 (pool house) & BCOM2509-0017 (pool) since the plans are interconnected.

Sincerely,

Subject: Re: Camp Agape Pool & Building Permit Resubmittal

It looks like my previous email may have been kicked back due to the size of the attachments. I will try sending the building and pool drawings in separate emails.

I am attaching the revised building drawings to this email.

Subject: Camp Agape Pool & Building Permit Resubmittal

Good afternoon,

I hope you are doing well.

I am reaching out regarding the permit applications for Camp Agape. I have received the attached revised pool drawings and building drawings based on the comments provided during the previous review. Can you please advise if these drawings are sufficient for the resubmittal or if the permit applications and supporting documents will need to be resubmitted as well.

Thanks for your help!

Christine Byrd
