

SMITH ENGINEERING AND DESIGN, P.A.

CERTIFICATE OF COMPLIANCE WITH ERECTION DRAWINGS

Project: Revels Tractor Storage Shed
50'-0" x 100'-0" Pre-engineered Metal Building
5118 Rawls Church Rd.
Fuquay-Varina, NC 27526

Contractor: Gregory Development, LLC
9541 Industry Dr.
Raleigh, NC 27603

I hereby certify that to the best of my knowledge, information and belief the pre-engineered structural steel frames, girts, purlins, bracing and roof deck for the above referenced project substantially complies with the requirements of the erection drawings provided by VP Building with Job Number 25-026052-01 dated November 10, 2025.

This certificate is based on my professional judgments from observations made at the project site and a review of the above mentioned plans.

Certified the 12th day of March, 2026.
