This was reviewed on 01/26. I assume you have read the notes on the review. If not, they are listed below.

Provide NC Commercial modular sticker (photo) for this unit. Floor plan shows a sales office. When using a unit for public access, instead of construction trailer, it must be labelled as an NC modular

Good afternoon Brad,

I apologize to ask, but would we be able to have this permit reviewed at your earliest convenience? My team is eager to get a construction trailer for our team working in Serenity.

Thank you,

James Myers
