

Good morning, Mr. Sutton.
Yes, the Town is okay with releasing building permits for these two lots.
Thank you,
Barbara

Subject: Cardinal Landing permits

Ms. Hollerand,

I received the attached letter from your office. Since these lots have not been recorded, and no addresses have been issued for the lots in question, I just want to verify that the Town of Coats is ok with releasing building permits for a commercial sales office and a model home.

Please respond to this email for my records.

Thank you,

Brad Sutton
