I did an inspection on the 17th. I believe she said the fire marshal had already been as well.

Subject: Anderson Creek School Pre-K Inspections

Good morning,

We received a Pre-K inspection request from Ms. Alicia (910-893-4523) with Anderson Creek School & she made it sounds like she had already received inspections/reviews from both the Fire Marshal and Health & Sanitation but we have no record of the permit in our system.

Please advise on whether or not you have completed the necessary inspections or if it still needs to be completed—thank you all!

Sincerely,

Michelle Myatt
