**Re: Status of Improvement Permit Application BRES #1808-0063
85 Oak Top Circle – Lt. 43 Long Leaf Acres Ph. II**

To Whom It May Concern,

An attempt was made to evaluate your property for the purpose of issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Use pink flags to mark property lines (they shall be clearly flagged) and irons that are set by surveyor need to be visible.**
- 2. Use orange flags to mark house corners (*\$25.00 fee incurred*)
- 3. Directions not clear to property (*\$25.00 fee incurred*)
- 4. Property needs only brush or vegetation removed prior to evaluation (overgrowth present).**
- 5. Driveway not shown on site plan – revise application to show on site plan..**
- 6. Backhoe pits required
- 7. Other – Decks/porches shall be included on site plan (if applicable).**

Your application will be put on hold until the selected items above have been addressed. Revise site plan and call to confirm that the site is ready for re-visit.

When completed **please call 910-893-7547 to confirm** that the items mentioned have been corrected and revisions made.

Sincerely,
