**RE: Existing Septic System Inspection BRES #1810-0013
113 Circle Island Drive**

Dear Mr. Covington,

An attempt was made to evaluate your property for the purpose of issuing an Existing Tank Permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Uncover outlet lid on septic tank and break seal *(\$25.00 fee incurred)*
- 2. Have system pumped out
- 3. Replace sanitary T
- 4. Other

Doublewide mobile home (DWMH) placement denied. Revision Required. DWMH shall be a minimum of 5 feet from septic tank. DWMH shall be shifted back off septic tank to be located appropriately, where former mobile home was located. The circle driveway disapproved due to septic lines located in front yard. Driveway shall follow existing path along the right side. Tank inspection not complete. Handles broken off lids. Lids cracked. Septic lids shall be replaced and re-inspected. Unable to inspect sanitary tee. Distribution box full of soil and debris. Distribution box shall be cleaned out and/or replacement may be required. Call Environmental Health with questions, comments, concerns. Revise paperwork and advise when to respect.

Your application will be put on hold until the selected items above have been addressed. When completed **call 893-7547 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

Andrew Currin, R.E.H.S.
