Reference: Threshold Support Piers for Approximate 27 ft. by 76 ft. Mod. Office
2498 Old US 421, Lillington, NC
Project No. D18mh49

Dear Mr. Dent:

Thank you for using D. Allen Hughes Engineering to conduct the evaluation for your project. I have reviewed the approved foundation plans for the above referenced modular office and have concluded that the modular office at 2498 Old US 421, Lillington, NC will be adequately supported without the use of threshold support piers at the doorways. Thank you for using D. Allen Hughes Engineering for your evaluation. If you should have any questions pertaining to this report, please call me.

Sincerely,

D. Allen Hughes, P.E., President
