**Re: Status of Permit Applications– BRES1905-0054**

Mr. Cano,

An attempt was made to evaluate your property for the purpose of issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Use pink flags to mark property lines and irons that are set by surveyor need to be visible. (\$25.00 Fee incurred)
- 2. Use orange flags to mark house box.
- 3. Directions not clear to property (\$25.00 fee incurred)
- 4. Property needs cleared prior to permitting
- 5. Driveway not shown on site plan (Revision Required)
- 6. Backhoe pits maybe required
- 7. **Other- Site plan does not match onsite flagged DWMH. Flagged DWMH encroaches on side 50' Access and Utility Easement. DWMH shall be back behind 150ft long easement and/or variance approved from Harnett County Zoning. Current flagged DWMH approx. 100ft from front property line. Revision required to reflect exact from setback. Reconfirm when DWMH reflagged and site plan has been revised.**

Your application will be put on hold until the selected items above have been addressed. When completed **please call 910-893-7547 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

Andrew Currin, R.E.H.S  
Environmental Health Specialist  
Harnett County Department of Public Health
