

I Justin Williams Owner of Black River Plumbing  
Request to be removed ~~to~~ From Permit pulled  
by Chris Spearman to do plumbing on  
Single Wide Trailer. ~~Chris~~ Chris txt me  
Friday 9-30-19 and said trailer  
had been delivered and set up. He  
then ~~txt~~ txt me Monday 9-2-19  
at 7:00 Am and asked that I do not  
hook the ~~plumbing~~ plumbing up they wanted to  
wait and save money. Today 9-3-19  
I went by the trailer and someone  
else has done the plumbing on the  
trailer and IT WAS NOT  
Black River Plumbing.
