Re: Status of Permit Application-BRES1908-0032

Ms. Bethea,

An attempt was made to evaluate your property for the purpose of issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

1. Use pink flags to mark property lines and irons that are set by surveyor need to be visible. (\$25.00 Fee incurred)

2. Use orange flags to mark house box.

3. Directions not clear to property (\$25.00 fee incurred)

4. Property needs cleared prior to permitting

5. Driveway not shown on site plan (Revision Required)

6. Backhoe pits maybe required

7. Other- Incorrect site plan. DWMH flagged differently than proposed. DWMH flagged directly behind 150 Hailey Lane in larger portion of the lot. Orientation of DWMH does not match as applied. DWMH flagged to face Hailey Lane. Site plan shall be revised to reflect correct location and DWMH orientation. Setbacks shall be reconfirmed. GIS box shall be corrected. Well application needs to be completed.

Your application will be put on hold until the selected items above have been addressed.

When completed **please call 910-893-7547 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,
