As requested, Tyndall Engineering & Design, PA (TE&D) was on-site to inspect and analyze the existing first floor framing system to provide a new foundation plan. We understand the house at 1451 Johnson Rd. in Coats, NC will be moved to the address listed above.

Attached on page 3 is our proposed Foundation and First Floor Framing Plan. The proposed foundation and first floor framing will provide the required support for the anticipated loading conditions. We appreciate the opportunity to assist you during this phase of the project. Should you need further assistance or require additional information please do not hesitate to contact us.

Sincerely,
Tyndall Engineering & Design
