Ref. Manufactured Housing Set-up for
78 Royal Pines Lane - Lillington, NC .

Mr. Bouchard,

Based on my inspection of the above referenced project I certify that the foundation anchoring system and pier construction for the elevated set-up meets my original recommendations per my letter dated April 16, 2020 and should meet or exceed NC Building Code Standards for Manufactured Housing.

Should you have any questions please do not hesitate to contact me.

Sincerely,

Donald D. Paschall, Jr., P.E.
