

BUILDING PERMIT EXEMPTION FOR AGRICULTURAL USE

Agricultural Building: A structure designed and constructed to house farm implements, hay, grain, poultry, livestock or other horticultural products. This structure shall not be a place of human habitation or a place of employment where agricultural products are processed, treated or packaged, nor shall it be a place used by the public. Definition: 2018 NC Building Code- Farm Building includes any building that is not open to the general public and is used primarily for a bona fide farm purpose. A bona fide farm purpose includes the production or storage of agricultural products or commodities including crops, fruits, vegetables, ornamental or flowering plants, dairy, timber, livestock, poultry and all other forms of agricultural products. Farm Buildings do not include such buildings used for purposes of education and research. Commentary: 2012 NC Administrative Code and Policies Property Information:

I hereby declare that the proposed building described in this application, is in whole an "Agriculture Building" and will be used for no other purpose. I hereby acknowledge that any change in use of the building that does not meet the definition of "Agriculture Building" shall remove the agricultural exemption, thereby requiring me, the current landowner, or my successors, to obtain an engineer's letter on the existing structure to accompany a building permit application and fees. I understand that I will need to obtain permits for inspection of any electrical, plumbing or heating and air for this building even if it is exempt from building permit. I understand that the proposed building cannot contain sleeping quarters or bedrooms. I understand that the proposed building cannot be used for commercial use or a business. The public cannot obtain a sale, a good or service from this
