**RE: Existing Tank Application # BRES2008-0005**

Parrot Bay Pools:

An attempt was made to evaluate your property for the purpose of issuing an existing tank permit. The evaluation could not be completed for one or more of the following reasons.

\_\_\_ 1. Uncover Outlet lid on septic tank and break seal. (\$25.00 fee incurred).

\_\_\_ 2. Have system pumped out

\_\_\_ 3. Replace Sanitary T

X 4. **Other – Proposed pool located in proximity of existing septic area and repair area. Existing septic located on offsite easement and repair area split between easement and upper boundary of property. Pool areas to encroach on septic areas but cannot be fully verified without septic easement surveyed and existing septic area located. 15ft septic setback required and must be verified. Alternate pool options may exist downhill from proposed area and/or behind home. Note: septic tanks and supply lines located downhill. 15ft setback must be similarly maintained.**

Your application will be put on hold until the selected items above have been addressed. When completed, **call (910) 893-7547 to confirm** that the items mentioned have been corrected we will then reschedule your property for evaluation.

Sincerely,
