List of inspections and Egress requirements available upon request. Progress Energy customers must provide Premise Number.

SETUP

^{*}Effective July 1, 2004, a County <u>Tax Department Moving Permit</u> must be provided before a Set Up Permit will be issued. It is purchased from the tax office of the county that the home is moved from. If the home is from a dealer, we need proof of year on the Form 500 and if available, the serial number.
