

Proposed plan - adding new doublewide

Property owner is Clifford Reynolds and he is my father-in-law. He has proposed that my wife (his daughter), Amanda Inguanza and I, Ramon Inguanza put a home on his land. Our plan is to purchase a new manufactured home to place on the proposed site. The home will be in our name, but the land will stay in his. We will have a shared driveway that is already in place leading to the detached garage.
