My name is Robert Hausen & I am owner /operator of Hausen building & Electrical contractor . I was suppose to begin work on Permit issued to 15 Clearwater , Carolina Lakes , North Carolina today but when I arrived on site the home owner refused to sign my contract & pay my start up cost outlined in the contract . Due to this I am unable to preform any work on this permit & request to be removed from the permit as builder & license electrician. Please understand I was prepared to begin but can not do jobs without protection of signed contract for my liability insurance. Thank You for all your wonderful help with approving their permit & I wish your office the best in 2021 , Bobby Hausen Sr
