Re: Status of Improvement Permit Application: BRES2101-0021

Mr. Mooney:

An attempt was made to evaluate your property for the purpose of issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Use pink flags to mark property lines and irons that are set by surveyor need to be visible. (*\$25.00 fee incurred*)
- 2. Use orange flags to mark house corners (*\$25.00 fee incurred*)
- 3. Directions not clear to property (*\$25.00 fee incurred*)
- 4. Property needs only brush or vegetation removed
- 5. Driveway not shown on site plan
- 6. Backhoe pits required
- 7. **Other- Site Not Ready – No survey property irons located and displayed onsite. No property lines marked or flagged onsite. Locate existing irons or have a surveyor place corner irons. Mark property line accordingly. Post-marking, review site plan setbacks with new property lines. Revise accordingly if required. Reconfirm when site is ready for permitting.**

Your application will be put on hold until the selected items above have been addressed.

When completed, **please call 910-893-7547 to confirm** that the items mentioned have been corrected. We will then reschedule your property for evaluation.

Sincerely,
